PERSONAL PROJECTS

Course Registration Form (01/2025 - 01/2025)

- Designed and developed a responsive course registration form using HTML and CSS. The form allows users to input their personal details, select courses, and submit their information in a user-friendly interface.
- Technologies Used: HTML5, CSS3. Structured layout with HTML5 semantic elements for accessibility.
- Form elements including text fields, radio buttons, dropdowns, and checkboxes for course selection. Form validation using HTML5 attributes (e.g., required fields, email format validation).
